

lib/old_libs/peaks.h

```
graph TD; A[lib/old_libs/peaks.h] --> B[core_pins.h]; A --> C[AudioStream.h]
```

A diagram illustrating a header file dependency. At the top, a gray box with a black border contains the text 'lib/old_libs/peaks.h'. Two blue arrows point downwards from the bottom of this box to two separate white boxes with gray borders below it. The left box contains 'core_pins.h' and the right box contains 'AudioStream.h'.

core_pins.h
